SUBJECT: Subcontract 108 - Fifth Amendment  
Cooper Development Corporation

Attached for your approval and that of the Regents and the AEC is the Fifth Amendment to Subcontract 108 which has been signed by Mr. Clifford D. Cooper, President of Cooper Development Corporation.

This action is based upon our April 26, 1958 conversation wherein \$35,000 will be added from the \$750,000 DOD funds, of which \$700,000 was assigned to Appendix D and \$50,000 held back. Of the \$50,000, approximately \$14,000 was used to cover costs of tracking flares and test costs at Point Magu. \$10,000 is being added from Contract 48 funds.

Total obligated funds under Subcontract 108 amount to \$1,321,488.27. No addition to fee was allowed under this Fifth Amendment.
